

Soumonil Sarkar

BCA Final Year Student

soumonilsarkar5515@gmail.com | 9433917608 | [LinkedIn](#) | [GitHub](#)

Professional Summary

BCA final-year student and aspiring ML with hands-on experience building machine learning, AI, data analysis, and web application projects. Skilled in Python, Scikit learn, Pandas, NumPy, SQL, SVM, Random Forest, HTML, CSS, JavaScript, and Power BI. Experienced in developing predictive machine learning workflows, voice-based AI applications, interactive dashboards, and responsive web applications. Seeking an internship or entry-level opportunity in Machine Learning, Artificial Intelligence, Data Analytics, or Web Development.

Technical Skills

ML & AI: Machine Learning, Scikit-learn, SVM, Random Forest, Pandas, NumPy

Programming: Python, C

Web Development: HTML, CSS, JavaScript

Database & Analytics: SQL, Power BI, Advanced Excel

Tools: Git, GitHub, Antigravity IDE

Education

Degree / Certificate	Institute	Score	Year
Graduation (pursuing) - B.C.A.	Narula Institute Of Technology	7.36 CGPA	2023 - 2027
Higher Secondary (10+2) - Commerce	Barrackpore Government High School	71%	2021 - 2023
Secondary (10th)	Kalyan Nagar Vidhyapith	79%	2015 - 2021

Projects

Loan Approval Prediction

Python, Machine Learning, Scikit-learn

- Developed a machine learning solution to predict loan approval using applicant features including income, education, employment status, credit history, loan amount, and marital status.
- Applied data science and machine learning techniques to create a predictive workflow for automated loan assessment.

To-Do List Web App

HTML, CSS, JavaScript

- Built a responsive task-management web application supporting task creation, editing, deletion, and completion tracking.
- Designed a clean and user-friendly interface for organizing daily tasks and improving productivity.

Personal Portfolio Website

HTML, CSS, JavaScript

- Developed a professional portfolio website showcasing technical skills, education, projects, and career profile.
- Presented projects and capabilities across machine learning, AI, data analysis, SQL, Power BI, and web development.

Certifications & Training

- Industrial Training – Data Science, Artificial Intelligence, and Machine Learning using Python**, Ardent Computech Pvt. Ltd. Completed comprehensive industrial training with a predictive Loan Approval Prediction project.
- Advanced Web Development with AI Integration**, Narula Institute of Technology. Participated in training focused on modern front-end technologies and AI integration workflows; Euphoria Genx – AI Integration.
- Blockchain Demystified: From Hype to Enterprise Reality**, Narula Institute of Technology, Department of CA. Attended an expert seminar conducted by IBM industry experts covering blockchain technology and enterprise implementations.

Additional Information

Languages: English, Hindi, Bengali

Hobbies: Cooking, Reading Story Books, Listening Music
